# Foreword

The Manhigan staff of 1953 has striven to give you a year book filled with the happiness the sorrow, the good and the bad of this past school year. We sincerely wish that you will enjoy the Manhigan to the greatest possible extent. As the clock goes around in future years we hope this book will help you to remember what made Mansfield Senior High School tick in '53.

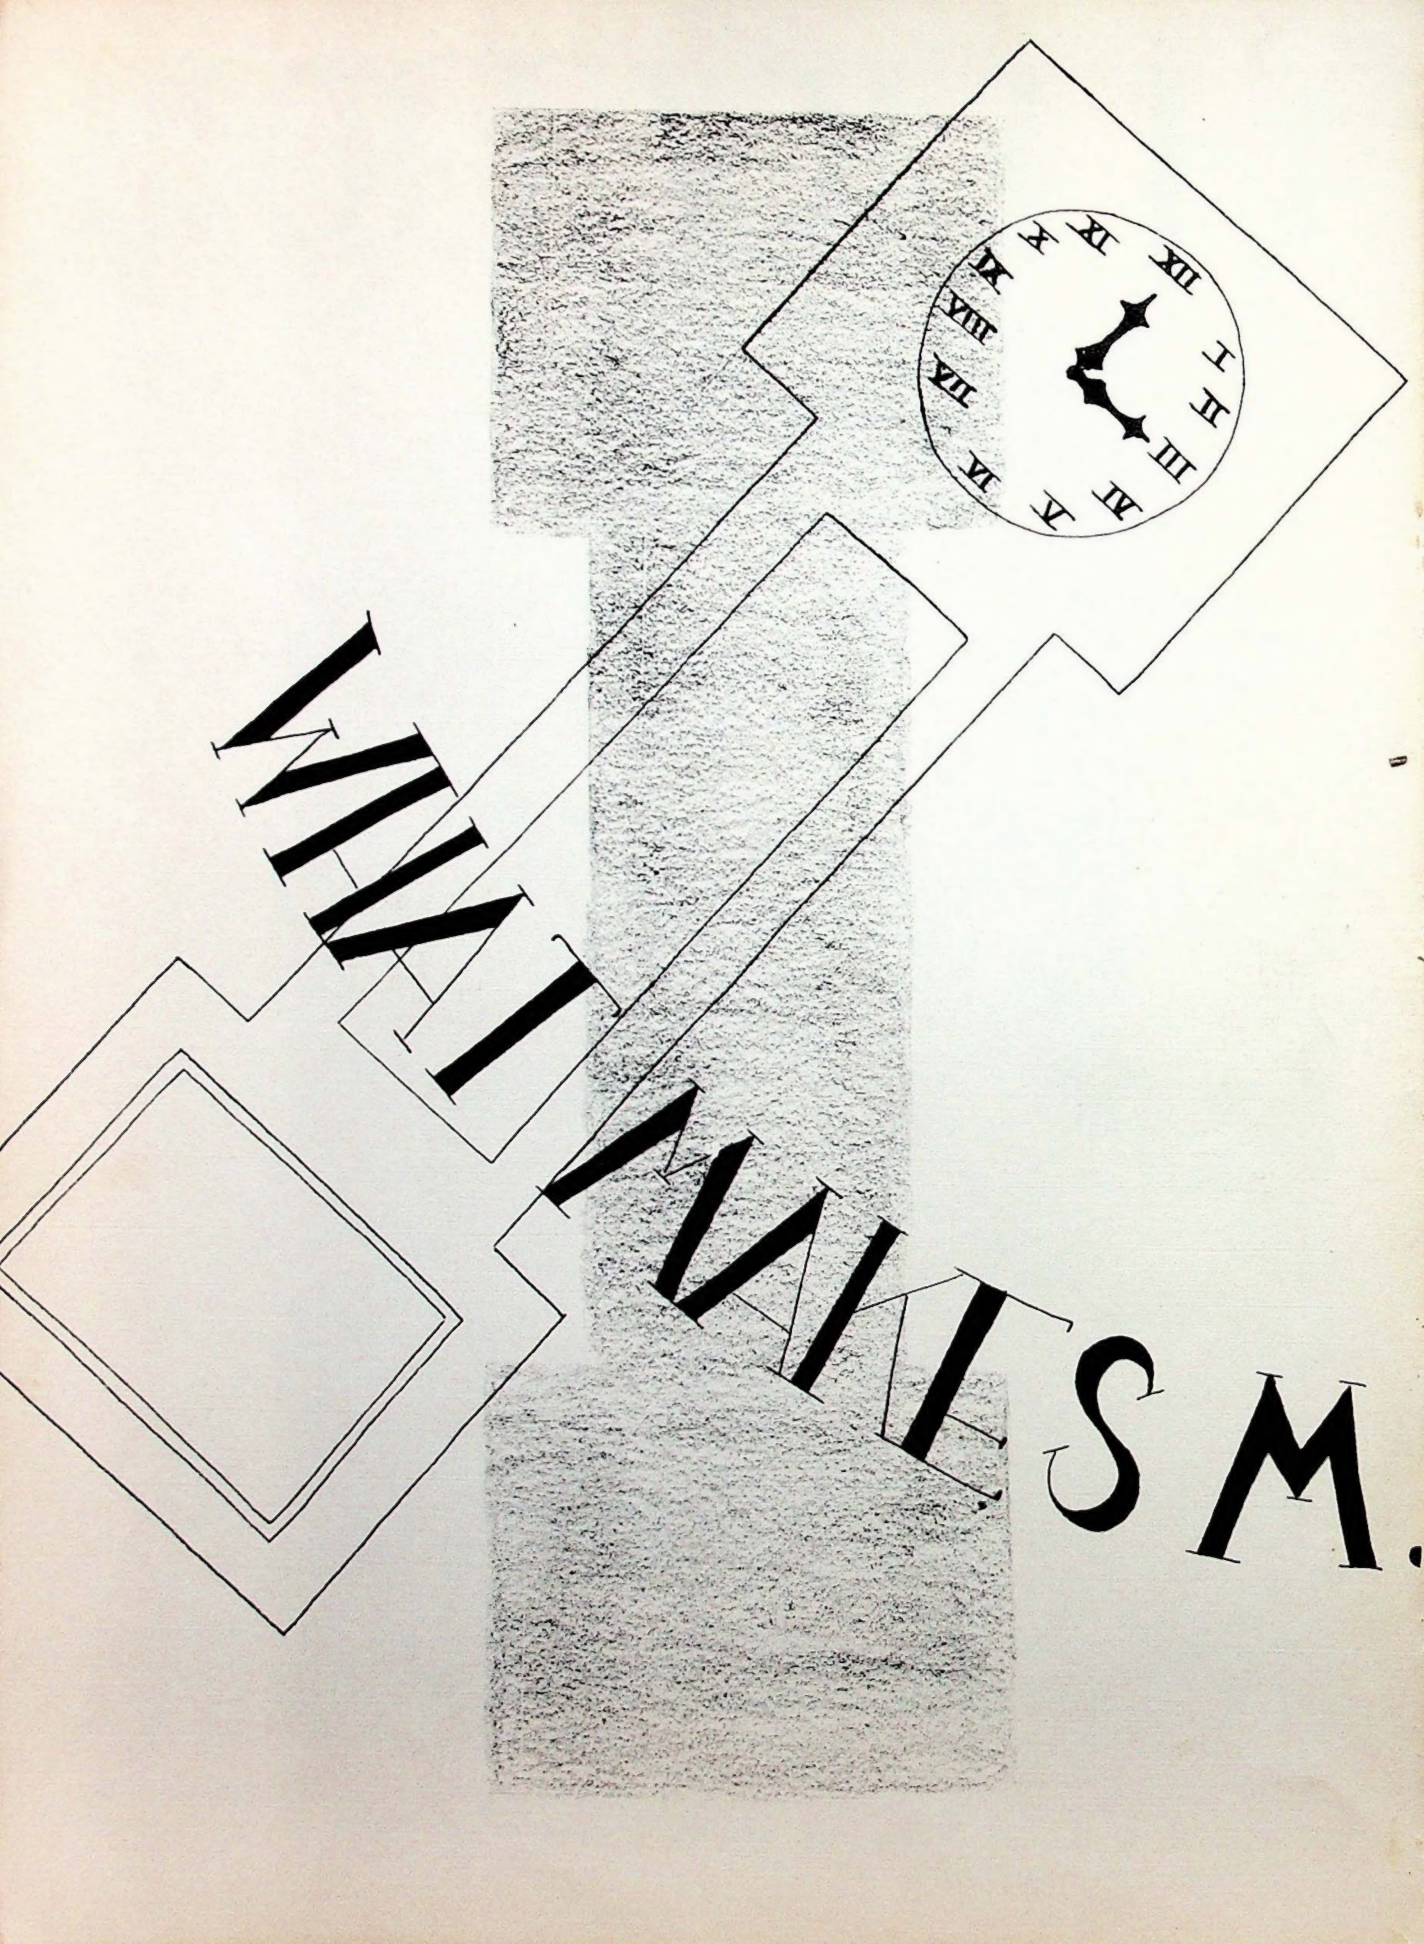

# DEDICATION

Like the silent moving gears of a watch much of what makes M. H. S. tick goes on unnoticed by us who take our school and its operation for granted. Behind the crystal of our school activity are those men and women who devotedly maintain all the facilities of M. H. S. so that our study and teachings function on smoothly. It is only fitting that one from this group is honored for this service and the great service he represents.

It is with great pride that we, the class of 1953 dedicate this Manhigan to GEORGE ARMSTRONG, who in the performance of duty as custodian has endeared himself to students and faculty through fine-spirited cooperativeness.

## CLASS HISTORY

Mrs. Mildred Hoffman  
CLASS ADVISOR

As always between two great business firms there is high spirits and keen competition. The two firms decided to test their strength against each other in sports. All over the Mansfield Territory people came to see the Appleseed-Simpson game.

The advertising department of both firms were well aware that a pretty face sells any product, so from both offices queens and attendants were elected to cheer the public on and to raise the morals of the two teams. By popular vote, Gretchen Snyder was elected queen at Simpson, Inc., and Kathleen Bolin, queen at Appleseed, Inc.

The great day dawn-gray, cloudy, and raining so hard as to fill up the great Arlin Stadium enough to have a swimming meet.

The queens, gorgeously arrayed in their own fine colors, drove around in their respective convertibles and waved to the thousands of cheering spectators.

Despite the cheering throngs, the Simpson Bulldogs were drowned by the Appleseeds officers 13-7, and their good luck even left them when basketball season rolled around. Unfortunately Simpson lost again 33-31. That year was glowing victory era for the Appleseed Bldg. and a bitter loss for Simpson.

Simpson, however, kept up its propaganda paper under the co-direction of editor-in-chief, Art Lomax, and Art Hergatt, business manager. While Appleseed, not to be undone, okayed Mary Pearson, editor, and Jim Shambaugh, business manager, to write up the latest rag sheet to compete with Simpson's glorious accounts of the merits of their offices.

Of course, every enterprising young business needs competent leader to raise the business's accounts and bonds. The head ones who rose in the ranks of Simpson were Delbert Wright President; Art Lomax and Dave Letizia, Co-vice-president; Norma Beal, Secretary; Peggy Mattox and Gayle Henderson, Co-treasurer. The leaders at Appleseed were Eddie Vild, President; Jerry Howell, Vice-president; Bruce Bushnell, Treasurer; Thelma Poorman, Secretary.

In the year 1951, 232 sophomore employees from the Johnny Appleseed Inc., and 298 employees from the John Simpson Inc., were promoted to the Home Office, Mansfield Senior High.

Here they combined their efforts to attain their goal. Striving earnestly toward the day that they would be appointed Senior executives, after which, they would receive their certificates of merit, and retire from the Senior High Building.

First, however, they must prove their value to the company. To help them with this they employed Mrs. Vern Hoffman as their Business Advisor. To assist the able advisor a Board of Directors were elected by the employees. President, Art Lomax; Vice-president, Dick Fry; Secretary, Pat Quinlan; Treasurer, Thelma Poorman.

To show their originality they sponsored a basketball album consisting of pictures of the players and squads. This was a profitable sales approach.

The sophomores also sponsored a dance and collected union dues to raise a fund for their Senior year.

With the advancing of the great business firm to another floor, the following were appointed with important executive positions; Art Lomax, President; Dick Fry, Vice-president; Pat Quinlan, Secretary; and Carol Schad, Treasurer.

As every respectable business firm needs to keep up its well being, money making projects were sponsored such as: the selling of tiger and box stationary, basketball albums, and sponsoring many dances after basketball and football games.

Since the firm had succeeded very well that year, a decision was made to elect a queen and her attendants in honor of the promising association. Gretchen Snyder reigned as queen with her attendants, Kathleen Bolin, Pat Quinlan, Marlene Remy, and Connie Paulson. They wore white formals at the coronation ceremony and were dressed in red and white suits, traditional to Senior High's colors, at the football game where we played an out-of-town incorporation, Springfield.

All too soon arriving at their final year in the Education Building, the seniors elected Art Lomax as president for the third consecutive year. Working with him were Jerry Howell, Vice-president; Terry Saprano, Secretary; and Carol Schad, Treasurer.

With Don Beddard, Pat White, and Connie Paulson as Co-editors and Jim Shambaugh as Business Manager, the Hypho started its thirty-

fourth year at M.H.S. With Marianne Davison as Editor-in-chief, Courtney Bourns as Co-editor, and Betsy Kirtley as Business Manager, the Manhigan was put out for the twenty-sixth year.

The fourth annual "Varsity Varietels," under the direction of Faith Stein and Mary Pearson, was presented on the nights of February 11 and 12.

The senior class play, "Turn Back the Clock," was performed on the nights of March 19 and 20.

Some of the outstanding accomplishments in this final year were the dances after football and basketball games, the carolers, the greeting cards sold during the Christmas season, and the annual Easter Sunrise Service, held at the First Presbyterian Church.

In the spring a track queen was elected. The queen was Marlene Remy with Gretchen Snyder, Phyllis McFarland, Marcis Hines, and Betty Lou Wendland as her court.

Some seniors with impressive honors bestowed upon them were: Jim Schafer, chosen one of Ohio's two Most Valuable Players in basketball; Dick Guy, Eddie Mack, and Ben Carbetta, each given all-Ohio honors in football, and Betsy Kirtley, who received a free trip to Washington, D.C. by winning the Westinghouse Science Talent Search.

The forthcoming graduation was celebrated on May 29 with a Class Day and an all-night prom. On June 5, 354 young men and women marched onto the beautiful plaza on top of the Education Building. Looking down at the little creatures entering the ground floor, the Class of '53 were reminded of their work and pleasure in obtaining education. Then the helicopters, Business mobile and College Express, arrived and the class of '53 departed for higher skyscrapers of achievement.

RESPECTFULLY SUBMITTED

Gwen Knox

In September 1951, 531 students entered Senior High School to become the Sophomore Class. In October 1951 they elected Jack Eliot, Dick Yoakam, Judy Maxwell, and Phil Norman as their officers. With Mrs. Virginia Imhoff at the helm, the class collected money for dues and held a dance. These projects started them. toward their Senior year.

In the fall of 1952, the new Juniors elected Jack Eliot, Dick Yoakam, Barbara Schaefer, and Nancy Hoff as their officers and Mrs. Imhoff, their advisor. In October they presented the home-coming assembly at which they crowned their queen, Judie Bruce, and her attendants Eleanor Scholler, Judy Maxwell, Dolores Meligan, and Marjorie Vild. "Where's the dummy?" This cry could be heard coming from room 204 every 6th period. By the dummy we mean the first draft of the yearbook. The making of this dummy was one of the first tasks undertaken by the 1953 Manhigan staff. After the dummies of the various sections were completed, picture taking was begun. At this time the business staff began the task of selling underclass pictures. From this time on, the painstaking job of mounting pictures and copy has continued. The final task of the Manhigan staff was the selling of the completed. We hope you enjoy this issue as much as we have enjoyed producing it.

Few of the students of M.H.S. realize that the hard work and time the band spends perfecting their halftime routines. The Tyger Marching Band does more than its share in making M.H.S. tick.

S.O.P.C. or the Society of Prospective Collegians forms another part of the mechanism which helps keep M. H. S. Running. Distributive Education has become a popular part of the curriculum of Mansfield Senior High School and has become equally popular throughout the nation.

As a result state and national distributive education clubs have been organized in which each student taking the course becomes a member. Since its inception in 1941 it has gained favor and the organization has continued to grow. Recently the ninth annual state convention was held in Columbus, Ohio at which time officers were elected for the coming year.

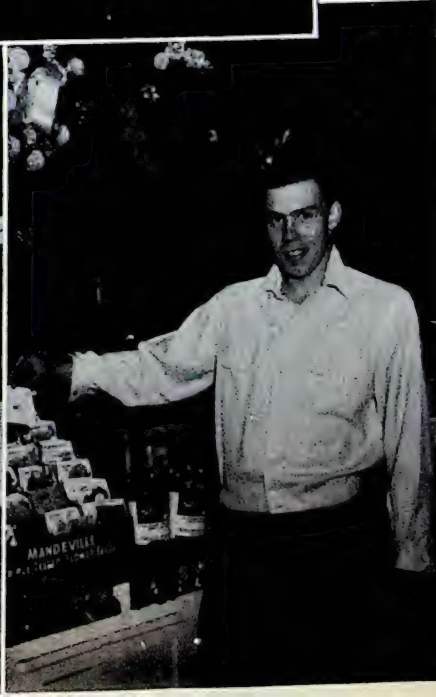

Under the capable leadership of Mr. H.R. Swack, the Distributive Education group of Senior High has completed a successful year. The objective for this group has been to further education in the field of retail merchandising.

In addition to the school room studies of merchandising, salesmanship, store operation, and Business English, each student is required to hold a part time position whereby he can apply the principles learned in the classroom.

Along with the more serious part of this organization is the social phase in which many activities are planned throughout the year, the most important of which is the Employer-Employee banquet held at the end of the year. This is an evening of good food, good fellowship, and fun, in which cooperation and a better understanding of mutual benefits has been promoted.

# EDUCATION

# ATTENDANCE

## OFFICE

The many girls who work in the attendance office aiding Miss Danback are a big help to their fellow students and to the school as a whole. Without their assistance M. H. S. would have a hard time keeping the schedule running smoothly.

The students who help Miss Culbertson are also a part of the mechanism which keeps M. H. S. going. They freely give of their time so that you can get quick and efficient assistance in the library.

# FAITH TEENS

Because of the efforts of the Faith Teens the spiritual side of M.H.S. has been revealed. Their daily readings from the Bible have helped to start the day right. This organization is composed of students who are interested in studying religion and its works as a whole. This is M.H.S. 's spiritual cog.

The Hi-Fun council is made up of representatives of the various Hi-Y and Y-Teen groups of the school. In their meetings they attempted to plan and co-ordinate the programs of the different clubs. Thus they too become a part of the M.H.S. mechanism.

After many hours of Christmas tree and taffy sales the Senior Hi-Y finally got its much anticipated trip to Washington. It was agreed by everyone that it was more than worth it. This trip ended three successful years in which many worthwhile projects were completed. Much credit for these three happy years goes to their advisor Mr. Bishop. The boys who guided the Quintres Hi-Y were; Ben Gray, President; Jim Shambaugh, Vice-president; Tom Bates, Secretary; Bill Taylor, Treasurer; Courtney Bourns, Chaplain.

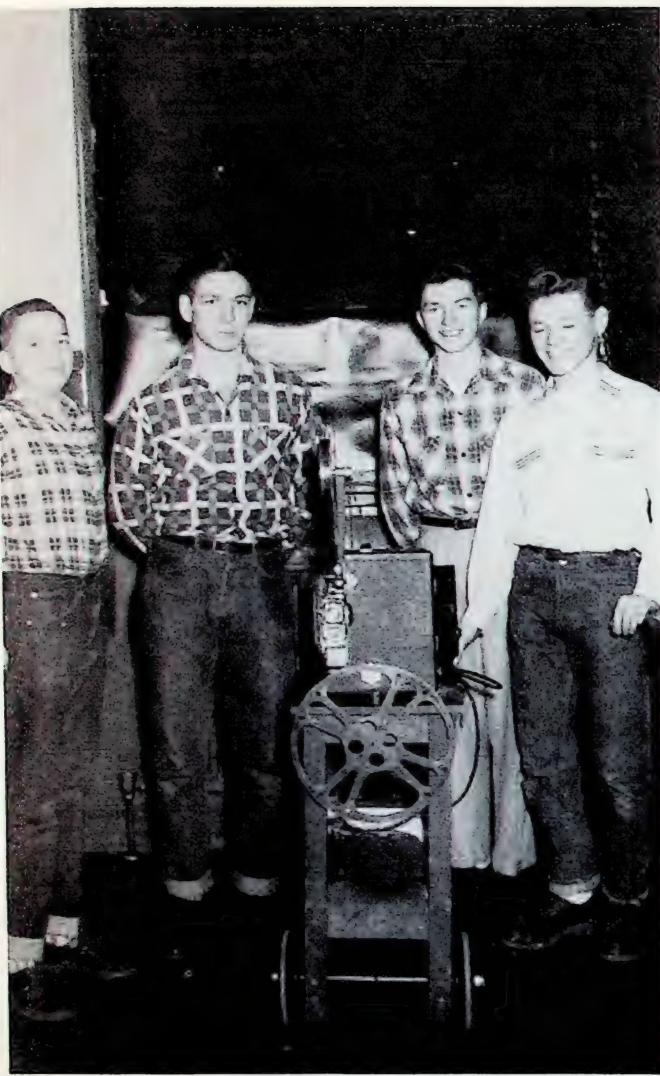

# VISUAL EDUCATION

The credit for presenting the many films to classes at M.H.S. goes to the boys of the Visual Education crew. Under Mr. Elder's direction they make sure that the equipment is where it is needed at the proper time and the films are shown to their best advantage. Their efforts are also a part of making M.H.S. tick.

## STAGE CREW

This group of husky boys is responsible for the smooth running of all stage presentations at M.H.S. Under the direction of Mr. Heasley they operate the lights and curtains as well as arranging scenery and props. They too form a small but vital cog in the M.H.S. scene.

The Pep Club, led by President Gene Rodey, Vice-president Harry Theohar, Secretary Kay Davis, Treasurer Tom Bates, and advisor, Mrs. Mildred Hoffman, strives to increase the interest in all the athletic contest held throughout the year. Approximately 300 students availed themselves of the advantages offered thru membership, such as, sitting in a reserved section of the bleachers at football games. Sports events were advertised by means of announcements over the PA system and posters displayed in the halls. All pep rallies, school pep assemblies, and buses to out-of-town games, are arranged by the Pep Club. Not only enthusiasm, but also good sportsmanship, win or lose, is the goal of the club.

#### TYGERS LOSE OPENER

The Mansfield Tygers opened their 1952 schedule by dropping their opening game to a new opponent The Lakewood Rangers. The big difference between victory and defeat, was the weight advantage of the Lakewood Rangers. Although the Tygers were outweighed, they were never outplayed. The Tygers took a 7-0 halftime lead, with Eddie Mack getting his first touchdown in a Tiger uniform.

#### TYGERS WIN FIRST OF YEAR OVER EAST

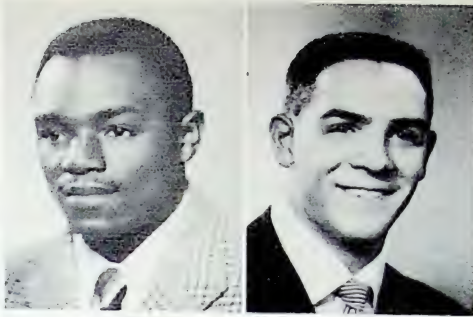

The Mansfield Tygers won their first game of year by beating Cleveland East for the eighth straight time by a score 31-9. Everyone got into the scoring act with four Tygers scoring touchdowns. W.B. Jones, a fast stepping Junior, scored touchdowns on runs of 52 and 60 yards. Ned Diemer raced for another, by going up the middle for 78 yards. Eddie Mack scored from the one yard line, and Pudge Henkel tossed a 3 yard pass to Darce Shasky for the fifth six-pointer. The only threat that East could offer was the passing of All-Ohio Andy Okulovich.

#### MACK SCORES ALL POINTS IN THRILLER

Eddie Mack made a stronger bid for All-Ohio by scoring all the Tygers points in a Mansfield 27-26 victory over the fourth seeded Alliance Aviators. The never say "die" Tygers twice came from behind to even the Aviators. The bengals were behind 13-0 in the second quarter, but managed to take a 14-13 halftime lead. The Tygers again found themselves on the tail end of the score. In the fourth quarter by a margin of 26-14.

## TYGERS LOSS 34-12

An aroused Warren team rose to great heights in the last quarter to smash Mansfield Senior High 34-12. Most of the excitement was crammed into the first five minutes when both teams scored. The score at the end of the half was 12-12- Eddie Mack scored both of Mansfields touchdowns on a 68 yard run and a 44 yard pass from Benny Carbetta.

## TYGERS WIN HOMECOMING CLASH

Mansfield warmed up for the big one with the Massillon Tigers by defeating comparatively weak Arkon South 25-6. Eddie Mack again was the big offensive, threat by scoring 3 of the 4 touchdowns. Darce Shasky got the 4th touchdown on a 19 yard pass from Pudge Henkle.

## 13,000 SEE TYGERS LOSE

13,000, fans jammed themselves into Arlin Field to watch, what was termed "the game of the week", but proved to be a track meet for Massillon in the first half. With Mansfield out for their second victory in the 21 games series they held the Tigers in check for the first six minutes, before John Francisco raced for one of his four touchdowns. Massillon rated second best in Ohio by taking a 33-0 half time lead. In a second half the Tygers held the Tigers in check with one touchdown. Mansfield had two scoring opportunities mustarded out, one by the clock and the other by an intercepted pass. Final score was Massillon 40-Mansfield 0.

# MANAGERS

These boys at the left are probably the hardest workers on the football squad. These six boys do many little task that most people are unaware of. You can see the boys during the game carrying out towels, cleaning the cleats helping the fellow on with their jersey, and most important of all, is the creating of team spirit.

Off the field the boys help Seargent Knoflock, with the equipment, keep the locker rooms in shape and run errands for the coaches.

The out of town games you will find the boys working the hardest as they have to help pack all the equipment.

Many of night these boys don't get home until 7:00 as they have to stay until practice is over.

These boys will get letters at the banquet and get to see all the games for their services. We are sure that it is these five boys that help M.H.S. tick.

## TYGERS WIN FOR THE "DADS"

Playing their final home game before a crowd of 7,500, which included the fathers of the boys the Tygers came from behind to edge a powerful Youngstown East, 32-20. With six minutes showing on the clock and the score 20-18 in favor of East the Tygers launched their biggest offensive in the year by ripping off 93 yard in 4 plays for a touchdown and a 25-21 lead. Mansfield kicked off to Youngstown, but stopped the East air attack on the Tygers 43. It took the Tygers six plays to notch their final score. The big factor in the Tygers victory was the running of Eddie Mack and the defensive of Dick Guy.

## TYGERS LOSE AT CANTON

The Mansfield Tygers continued their losing streak on foreign soil by dropping their seventh game to Canton McKinley by a score of 34-19.

Flashing a devastating aerial attack, the Canton passers hit for two touchdowns and set up a third.

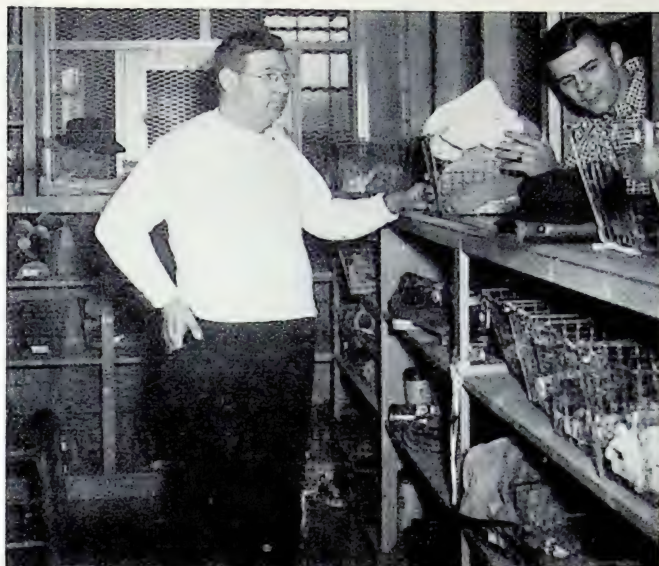

Mansfield's Eddie Mack and Benny Carbetta gave scentillating performances which almost spelled victory for the Tygers until a weird play in the fourth quarter. Benny did some very fine passing with Mack on the receiving end most of the time. The passing set up three of the touchdowns, with Mack getting two.

## MACK SCORES FOUR TIMES FOR MANSFIELDS VICTORY

Eddie Mack danced for four touchdowns as M.H.S. throttled Toledo Waite ponderous football team 32-7. Mansfield scored twice in the opening period, twice more in the third stanza and added a fifth touchdown in the final 12 minutes. Waite got its only score in the fourth when they intercepted a pass on the 31 yard line.

# EQUIPMENT MANAGER

The only person at Mansfield Senior High who is affiliated with every sport in some sort of a way or another is Mr. Robert Knobflock, better known as "Sarg". Sarg. has the tremendous task of packing all the equipment for all the sports at M.H.S.

Sarg. said "The reason I like this job as equipment manager is that I like all sports and I like to work with boys."

During his spare time, which isn't very much, Sarg can be found up at the fire station.

Sarg's assistant is Ray Harbaugh who takes care of the basket room.

## WILDCATS DOWN TYGERS

Second rated Springfield Wildcats put on a rousing bid for the State Championship by downing the Tygers 30-13.

The Tygers put on a terrific fight before dropping their final. Given little chance to win, the Tygers came from behind to knot the score 7-7 and 13-13. But a field goal put the Wildcats ahead to stay 16-13 at halftime.

Mansfield threatened only once in the second half and that was nullified by a fumble. Darce Shasky raced for a 78 yard touchdown but it was called back because of a penalty. Springfield scored twice in the third quarter.

COACH VERN HOFFMAN

"ALL-OHIO" JIM SCHAFER

Playing a tough schedule and against all the hardships the Mansfield Tygers had a fairly successful season. The Mansfield Tygers were tabbed the team "to beat" but they lost All-Ohio candidate Bruce Bushnell; the army claimed another and two boys dropped out of school. With all this misfortune, the Tygers ended their season with a record of 7 losses, and 14 wins.

The Mansfield Tygers lost their first sectional game in four years, by losing to the Ashland Arrows by a score of 64 to 68. The Tygers won the right to play Ashland by beating Galion 72 to 62.

The Mansfield Tygers produced an All-Ohio, little Jim Schafer, who stands 5'8", and weight 140 lbs. He broke all but one of the scoring records at M.H.S. Schafer scored a high of 38 points in one game and 502 for the season, including tournament games.

Teaming with Schafer at guard were Benny Carbetta, and Bud Kent, both seniors. The forward positions were held down by Dick Fry and Sophomore Phil Tinkey, and senior Ed Vild. Everyone saw a lot of action in backing these boys. Holding down the center spot was big George Swank a 6'5" sophomore. Three other members, who completed the Tyger varsity were Larry Lodge a 6' forward, Harold Rice, 6'3" center, and Ed Deeds, a 6'3", forward.

These ten fellows broke all scoring records at Senior High by scoring 93 points in one game.

# G.A.A.

The Girls' Athletic Association is open to all girls interested in sports. Throughout the year, the club sponsors many varied activities, such as intramural soccer, bowling, basketball, and softball tournaments, and G.A.A. swimtime, the annual banquet and dance was held February 7, with "Winter Sports" as the theme. At the end of the year, awards are presented at a picnic.

The G.A.A. also presented pep assemblies during the football and basketball seasons. All these projects are under the direction of President Barbara Darling, Vice-president Joyann Herbert, Secretary Connie Paulson, Treasurer, Kay Davis, and the two advisors, Mrs. Robert Martin and Miss. Janet Gochenaur.

This year a newly devised "point system" has been put into use. Each member must have four points to attend the banquet and dance, and eight to join the club next year. Points can be earned by participation in G.A.A. activities throughout the year. This system is intended to encourage the girls to be more active members.

This collage of black and white photographs captures various moments from a 1950s school year. The images are arranged in a grid-like fashion, with some overlapping. The scenes include:

- Top Left:** A student in a light-colored shirt and dark shorts is jumping to catch a ball, possibly basketball or volleyball.
- Top Center:** A large group of students, mostly girls in sweaters and skirts, are posed for a group portrait in a gymnasium.
- Top Right:** A student in a light-colored shirt and dark skirt is holding a basketball, standing in a gym.
- Middle Left:** A large, somewhat blurry photograph showing an outdoor scene, possibly a construction site or a large open area with some structures.
- Middle Center:** Two students are standing near a wooden structure, possibly a gymnasium entrance or a stage. One student is holding a book or a folder.
- Middle Right:** A student in a light-colored shirt and dark skirt is holding a basketball, standing in a gym.
- Bottom Left:** A student in a light-colored shirt and dark shorts is jumping to catch a ball, possibly basketball or volleyball.
- Bottom Center:** A student in a light-colored shirt and dark skirt is jumping to catch a ball, possibly basketball or volleyball.
- Bottom Right:** A student in a light-colored shirt and dark skirt is holding a basketball, standing in a gym.

The overall tone is nostalgic and captures the spirit of mid-20th-century school life.
